

WORKING YOUR CASE

A Confidentiality Flowchart

In general, you should resist sharing information about your CASA child with others. However, this flowchart can help identify when it may be appropriate to share information.

If you answer 'YES' to all of these questions, then you can share the information.

If you answer 'NO' to any of these questions, then you cannot share the information.

Even if you think you can share the information, please still check with your Volunteer Coordinator before doing so!
