

## Photo Consent

During CASA's involvement, the **Judges of the Fourteenth Judicial District Juvenile and Domestic Relations Court of Henrico County, Virginia** often request, and enjoy seeing, photographs of the child/ren in their cases. CASA is able to include and share photographs of the child/ren with the Judges in CASA Reports.

Any photographs taken of the child/ren become part of the court file and will be held in strict confidence. Photographs will not be shared or used for social media, marketing, or personal use.

I, \_\_\_\_\_, understand that CASA may request to receive photographs from guardians/caretakers, and/or take photographs of the child/ren, for the purpose of including photographs in CASA Reports for the benefit of the court and attorneys involved in this case. I also understand that at the close of a case, the photographs will be stored and destroyed per case closure requirements and standards.

My signature below indicates that I understand the purpose of any photographs of the child/ren and grant permission for Henrico CASA to receive or take photographs for this stated purpose.
