To Benefit

HENRICO CASA

Since 1994, Henrico CASA has ensured safety and security for more than 4,400 children who experienced abuse and neglect.

Henrico CASA shows an unwavering commitment to the most vulnerable members of our community: child victims. Youth referred to CASA by local judges are matched with a dedicated Court Appointed Special Advocate who will walk alongside the child during this tumultuous time and conduct an independent evaluation of the child's circumstances.

Henrico CASA's vision is for all children to have a safe, loving home. Learn more at HenricoCASA.org
